

**IN THE UNITED STATES DISTRICT COURT FOR THE  
WESTERN DISTRICT OF MISSOURI  
WESTERN DIVISION**

UNITED STATES OF AMERICA,

Plaintiff,

v.

MICHAEL A. ENRIQUEZ,

Defendant.

Case No. 23-00128-01-CR-W-BCW

**PLEA AGREEMENT**

Pursuant to Rule 11(c)(1)(B) of the Federal Rules of Criminal Procedure, the parties described below have entered into the following plea agreement:

1. **The Parties.** The parties to this agreement are the United States Attorney's Office for the Western District of Missouri (otherwise referred to as "the Government" or "the United States"), represented by Teresa A. Moore, United States Attorney, and Stefan C. Hughes, Assistant United States Attorney, and the defendant, Michael A. Enriquez ("the defendant"), represented by Steve Moss.

The defendant understands and agrees that this plea agreement is only between he and the United States Attorney for the Western District of Missouri, and that it does not bind any other federal, state, or local prosecution authority or any other government agency, unless otherwise specified in this agreement.

2. **Defendant's Guilty Plea.** The defendant agrees to and hereby does plead guilty to the lesser included offense of Count One of the indictment currently charging him with a violation of 21 U.S.C. §§ 841(a)(1) and (b)(1)(B), down to a violation of 21 USC §§841(a)(1) and (b)(1)(C) that is possession with the intent to distribute an amount of methamphetamine.

By entering into this plea agreement, the defendant admits that he knowingly committed these offenses, and is in fact guilty of this offense.

3. **Factual Basis for Guilty Plea.** The parties agree that the facts constituting the offense to which he is pleading guilty follow:

On February 26, 2020, at approximately 11:22 p.m., Independence Missouri Police Department officers observed a maroon Ford SUV bearing Missouri license plate UN9 W2N stopped at the intersection facing east on U.S. 40 Highway and Blue Ridge Cutoff and not moving through several cycles of green lights. Officers activated their emergency lights and an Independence Fire Department truck pulled up bumper to bumper with the SUV to ensure the vehicle did not accidentally pull into the busy intersection when the officers contacted the driver. Upon closer inspection, officers observed the driver, and sole occupant of the vehicle appeared to be “passed out” behind the wheel. This man was later identified as Michael A. Enriquez and the license plate of the vehicle was registered to Enriquez.

IPD officers approached the vehicle from both the driver’s and passenger side. Officer Hanrahan opened the passenger door to attempt to turn the ignition off. Enriquez woke up and the officer on the driver’s side opened that door and observed a large amount of loose cash in bundles on Enriquez’s lap.

Officers ordered Enriquez out of the vehicle because they suspected he was possibly involved in illegal drug trafficking and possibly armed. Officers handcuffed Enriquez for officer safety and patted him down for weapons. Officers recovered a wallet from his back pocket to look for a driver’s license.

Officers then moved Enriquez onto the front bumper of his police vehicle. Next, one of the two officers went back to Enriquez’s vehicle and looked through the closed-door window and

observed a digital scale and a white substance in plastic baggies in the center console. An officer ran Enriquez's name in the police computer and learned he has an alias: Michael Lopez, with the same date of birth and social security number. In addition, officers learned Enriquez had an active federal probation violation warrant issued for his arrest.

After arresting Enriquez, officers searched him incident to the arrest and recovered 25 \$100 dollar bills (\$2,500). Officers recovered a total of \$2,842 in cash from Enriquez's person.

Additionally, officers recovered a large chunk of white, semi-rectangular shaped powder inside a baggie, which later weighed 84.5 grams and field-tested positive for cocaine. Officers also recovered two smaller baggies inside his various pockets. One such bag weighed 14.6 grams and the other weighed 2.3 grams and both field-tested positive for cocaine. Further, officers recovered another baggie weighing 14.76 grams and this field-tested positive for methamphetamine. Officers recovered a glass cylinder pipe with burn residue and a bundle of copper Chore Boy (i.e., glass pipe filter for smoking crack cocaine) inside his coat pocket. The officer also found a green Crown Royal bag from his sleeve. The Crown Royal bag contained another large semi-rectangular portion of white powder which later field-tested positive for cocaine, and it weighed 129 grams. In sum, officers recovered the following drugs from Enriquez:

- 129 grams
- 84.5 grams
- 14.6 grams
- 2.3 grams
- 14.76 grams (methamphetamine)

Officers recovered a grand total of 230.4 grams of cocaine and 14.76 grams of methamphetamine from Enriquez's person. The search was recorded on the officers in-car dash-cam video system.

Next, the officers photographed and counted the four bundles of cash recovered from the driver's seat. The four bundles all had \$1,000 inside each one. Officers also recovered an additional \$394 in "loose" cash inside the vehicle. In sum, officers recovered \$4,394 cash from inside the vehicle.

Officers searched the center console and recovered a small black Fusion RT digital scale with residue on it. Officer also recovered a plastic bag filled with the same small black rubber bands used to bundle the cash found on Enriquez's lap. Officers recovered a plastic bag containing four (4) smaller twist baggies which had a white powdery substance which field-tested positive for cocaine and had the following weights:

- 7.14 grams
- 1.66 grams
- 1.14 grams
- 1.26 grams

Those substances totaled 11.2 grams of cocaine recovered from inside Enriquez's vehicle. Lastly, officers recovered six cell phones from inside the vehicle. Officers had the vehicle towed and transported Enriquez to IPD headquarters for booking.

On February 27, 2020, at approximately 9:00 a.m. DEA TFO's Lonnie Pfeifer and Orion Mata went to IPD HQ to interview Enriquez. At 9:30 a.m. investigators read Enriquez his *Miranda* rights from the waiver form, and he signed the form at 9:37 a.m. indicating his willingness to speak with the investigators. Enriquez told investigators he was on his way to meet a woman at a hotel near the stadiums, off Blue Ridge Cutoff. Enriquez admitted he has a history of narcolepsy and fell asleep at the stop light where he was arrested.

Investigators asked Enriquez what was inside his vehicle, and he replied, "cocaine and methamphetamine." Enriquez said he did not know how much drugs he had but he admitted all the money found inside the vehicle belonged to him. Investigators asked who his drug supplier

was, but Enriquez refused to answer that question unless they would release him that day. Enriquez then admitted he had three (3) drug suppliers, two black males and a Hispanic male who were all from Kansas City.

Investigators asked Enriquez for consent to search the six cell phones recovered from his vehicle, but he only agreed to allow investigators to search five of the six phones.

On June 23, 2021, Delana R. Brundage-Edwards, Senior Forensic Chemist, from the DEA Laboratory determined that “Exhibit 2” contained 14.2 grams of 100% pure methamphetamine hydrochloride.

4. **Use of Factual Admissions and Relevant Conduct.** The defendant acknowledges, understands, and agrees that the admissions contained in Paragraph 3 and other portions of this plea agreement will be used for the purpose of determining his guilt and advisory sentencing range under the United States Sentencing Guidelines (“U.S.S.G.”), including the calculation of the defendant’s offense level in accordance with U.S.S.G. § 1B1.3(a)(2). The defendant acknowledges, understands, and agrees that the conduct charged in any dismissed counts of the indictment as well as all other uncharged related criminal activity may be considered as “relevant conduct” pursuant to U.S.S.G. § 1B1.3(a)(2) in calculating the offense level for the charges to which he is pleading guilty.

5. **Statutory Penalties.** The defendant understands that upon his plea of guilty to the lesser included offense of Count One of the indictment charging him with possession with the intent to distribute an amount of methamphetamine the maximum sentence the Court may impose is no more than 20 years imprisonment, a \$1,000,000.00 fine, no less than three years supervised release and a mandatory \$100 special assessment which must be paid in full at the time of sentencing.

6. **Sentencing Procedures.** The defendant acknowledges, understands, and agrees to the following:

a. in determining the appropriate sentence, the Court will consult and consider the United States Sentencing Guidelines promulgated by the United States Sentencing Commission; these Guidelines however are advisory in nature, and the Court ordinarily may impose a sentence either less than or greater than the court-determined advisory Guidelines range, unless the sentence imposed is “unreasonable;”

b. the Court will determine the defendant’s applicable Sentencing Guidelines range at the time of sentencing;

c. in addition to a sentence of imprisonment, the Court shall impose a term of supervised release of at least three years;

d. any sentence of imprisonment imposed by the Court will not allow for parole;

e. the Court is not bound by any recommendation regarding the sentence to be imposed or by any calculation or estimation of the Sentencing Guidelines range offered by the parties or the United States Probation Office; and

f. the defendant may not withdraw his guilty plea solely because of the nature or length of the sentence imposed by the Court.

7. **Government’s Agreements.** Based upon evidence in its possession at this time, the United States Attorney’s Office for the Western District of Missouri, as part of this plea agreement, agrees not to bring any additional charges against defendant for any federal criminal offenses related to possession with the intent to distribute an amount of methamphetamine for which it has venue, and which arose out of the defendant’s conduct described above.

The defendant understands that this plea agreement does not foreclose any prosecution for an act of murder or attempted murder, an act or attempted act of physical or sexual violence against the person of another, or a conspiracy to commit any such acts of violence or any criminal activity of which the United States Attorney for the Western District of Missouri has no knowledge.

The defendant recognizes the United States' agreement to forego prosecution of all of the criminal offenses with which the defendant might be charged is based solely on the promises made by the defendant in this agreement. If the defendant breaches this plea agreement, the United States retains the right to proceed with the original charges and any other criminal violations established by the evidence. The defendant expressly waives his right to challenge the initiation of the dismissed or additional charges against him if he breaches this agreement. The defendant expressly waives his right to assert a statute of limitations defense if the dismissed or additional charges are initiated against him following a breach of this agreement. The defendant further understands and agrees that if the Government elects to file additional charges against him following his breach of this plea agreement, he will not be allowed to withdraw his guilty pleas.

8. **Preparation of Presentence Report.** The defendant understands the United States will provide to the Court and the United States Probation Office a government version of the offense conduct. This may include information concerning the background, character, and conduct of the defendant, including the entirety of her criminal activities. The defendant understands these disclosures are not limited to the count to which he has pleaded guilty. The United States may respond to comments made or positions taken by the defendant or the defendant's counsel and to correct any misstatements or inaccuracies. The United States further reserves its right to make any recommendations it deems appropriate regarding the disposition of this case, subject only to any limitations set forth in this plea agreement. The United States and the defendant expressly reserve the right to speak to the Court at the time of sentencing pursuant to Rule 32(i)(4) of the Federal Rules of Criminal Procedure.

9. **Withdrawal of Plea.** Either party reserves the right to withdraw from this plea agreement for any or no reason at any time prior to the entry of the defendant's plea of guilty and

its formal acceptance by the Court. In the event of such withdrawal, the parties will be restored to their pre-plea agreement positions, to the fullest extent possible. However, after the plea has been formally accepted by the Court, the defendant may withdraw his plea of guilty only if the Court rejects the plea agreement or if the defendant can show a fair and just reason for requesting the withdrawal.

10. **Agreed Guidelines Applications.** With respect to the application of the Sentencing Guidelines to this case, the parties stipulate and agree as follows:

a. The Sentencing Guidelines do not bind the Court and are advisory in nature. The Court may impose a sentence that is either above or below the defendant's applicable Guidelines range, provided the sentence imposed is not "unreasonable;"

b. The applicable Guidelines section for the offense of conviction is U.S.S.G. § 2D1.1(8), which provides for a base offense level of at least 24;

c. The defendant has admitted his guilt and clearly accepted responsibility for his actions and has assisted authorities in the investigation or prosecution of his own misconduct by timely notifying authorities of his intention to enter a plea of guilty, thereby permitting the Government to avoid preparing for trial and permitting the Government and the Court to allocate their resources efficiently. Therefore, he is entitled to a three-level reduction pursuant to § 3E1.1(b) of the Sentencing Guidelines. The Government, at the time of sentencing, will file a written motion with the Court to that effect, unless the defendant (1) fails to abide by all of the terms and conditions of this plea agreement and his pretrial release; or (2) attempts to withdraw his guilty plea, violates the law, or otherwise engages in conduct inconsistent with his acceptance of responsibility;

d. There is no agreement between the parties regarding the defendant's criminal history category. The parties agree that the Court will determine his applicable criminal history category after receipt of the presentence investigation report prepared by the United States Probation Office;

e. The defendant understands that the estimate of the parties with respect to the Guidelines computation set forth in the subsections of this paragraph does not bind the Court or the United States Probation Office with respect to the appropriate Guidelines levels. Additionally, the failure of the Court to accept these stipulations will not, as outlined in Paragraph 9 of this plea agreement, provide the defendant with a basis to withdraw his plea of guilty;

f. The defendant consents to judicial fact-finding by a preponderance of the evidence for all issues pertaining to the determination of the defendant's sentence, including the determination of any mandatory minimum sentence (including the facts that support any specific offense characteristic or other enhancement or adjustment), and any legally authorized increase above the normal statutory maximum. The defendant waives any right to a jury determination beyond a reasonable doubt of all facts used to determine and enhance the sentence imposed and waives any right to have those facts alleged in the indictment. The defendant also agrees that the Court, in finding the facts relevant to the imposition of a sentence, may consider any reliable information, including hearsay; and

g. The defendant understands and agrees that the factual admissions contained in Paragraph 3 of this plea agreement, and any admissions that he will make during his plea colloquy, support the imposition of the agreed-upon Guidelines calculations contained in this agreement.

11. **Effect of Non-Agreement on Guidelines Applications.** The parties understand, acknowledge, and agree that there are no agreements between the parties with respect to any Sentencing Guidelines issues other than those specifically listed in Paragraph 10, and its subsections. As to any other Guidelines issues, the parties are free to advocate their respective positions at the sentencing hearing.

12. **Change in Guidelines Prior to Sentencing.** The defendant agrees that if any applicable provision of the Guidelines changes after the execution of this plea agreement, then any request by defendant to be sentenced pursuant to the new Guidelines will make this plea agreement voidable by the United States at its option. If the Government exercises its option to void the plea agreement, the United States may charge, reinstate, or otherwise pursue any and all criminal charges that could have been brought but for this plea agreement.

13. **Government's Reservation of Rights.** The defendant understands that the United States expressly reserves the right in this case to:

- a. oppose or take issue with any position advanced by defendant at the sentencing hearing which might be inconsistent with the provisions of this plea agreement;
- b. comment on the evidence supporting the charge in the superseding indictment;
- c. oppose any arguments and requests for relief the defendant might advance on an appeal from the sentences imposed and that the United States remains free on appeal or collateral proceedings to defend the legality and propriety of the sentence actually imposed, even if the Court chooses not to follow any recommendation made by the United States; and
- d. oppose any post-conviction motions for reduction of sentence, or other relief.

14. **Waiver of Constitutional Rights.** The defendant, by pleading guilty, acknowledges that he has been advised of, understands, and knowingly and voluntarily waives the following rights:

- a. the right to plead not guilty and to persist in a plea of not guilty;
- b. the right to be presumed innocent until his guilt has been established beyond a reasonable doubt at trial;
- c. the right to a jury trial, and at that trial, the right to the effective assistance of counsel;
- d. the right to confront and cross-examine the witnesses who testify against him;
- e. the right to compel or subpoena witnesses to appear on his behalf; and
- f. the right to remain silent at trial, in which case his silence may not be used against him.

The defendant understands that by pleading guilty, he waives or gives up those rights and that there will be no trial. The defendant further understands that if he pleads guilty, the Court may ask him questions about the offense or offenses to which he pleaded guilty, and if the

defendant answers those questions under oath and in the presence of counsel, his answers may later be used against him in a prosecution for perjury or making a false statement. The defendant also understands he has pleaded guilty to a felony offense and, as a result, will lose his right to possess a firearm or ammunition and might be deprived of other rights, such as the right to vote or register to vote, hold public office, or serve on a jury.

**15. Waiver of Appellate and Post-Conviction Rights.**

a. The defendant acknowledges, understands, and agrees that by pleading guilty pursuant to this plea agreement he waives his right to appeal or collaterally attack a finding of guilt following the acceptance of this plea agreement, except on grounds of (1) ineffective assistance of counsel; or (2) prosecutorial misconduct.

b. The defendant expressly waives his right to appeal his sentence, directly or collaterally, on any ground except claims of (1) ineffective assistance of counsel; (2) prosecutorial misconduct; or (3) an illegal sentence. An “illegal sentence” includes a sentence imposed in excess of the statutory maximum, but does *not* include less serious sentencing errors, such as a misapplication of the Sentencing Guidelines, an abuse of discretion, or the imposition of an unreasonable sentence. However, if the United States exercises its right to appeal the sentence imposed as authorized by 18 U.S.C. § 3742(b), the defendant is released from this waiver and may, as part of the Government’s appeal, cross-appeal his sentence as authorized by 18 U.S.C. § 3742(a) with respect to any issues that have not been stipulated to or agreed upon in this agreement.

**16. Financial Obligations.** By entering into this plea agreement, the defendant represents that he understands and agrees to the following financial obligations:

a. The Court may order restitution to the victims of the offense to which the defendant is pleading guilty. The defendant agrees that the Court may order restitution in connection with the conduct charged in any counts of the superseding indictment which are to be dismissed and all other uncharged related criminal activity.

b. The United States may use the Federal Debt Collection Procedures Act and any other remedies provided by law to enforce any restitution order that may be entered as part of the sentence in this case and to collect any fine.

c. The defendant will fully and truthfully disclose all assets and property in which she has any interest, or over which the defendant exercises control directly or indirectly, including assets and property held by a spouse, nominee or other third

party. The defendant's disclosure obligations are ongoing and are in force from the execution of this agreement until the defendant has satisfied the restitution order in full.

d. Within 10 days of the execution of this plea agreement, at the request of the USAO, the defendant agrees to execute and submit (1) a Tax Information Authorization form; (2) an Authorization to Release Information; (3) a completed financial disclosure statement; and (4) copies of financial information that the defendant submits to the U.S. Probation Office. The defendant understands that compliance with these requests will be taken into account when the United States makes a recommendation to the Court regarding the defendant's acceptance of responsibility.

e. At the request of the USAO, the defendant agrees to undergo any polygraph examination the United States might choose to administer concerning the identification and recovery of substitute assets and restitution.

f. The defendant hereby authorizes the USAO to obtain a credit report pertaining to him to assist the USAO in evaluating the defendant's ability to satisfy any financial obligations imposed as part of the sentence.

g. The defendant understands that a Special Assessment will be imposed as part of the sentence in this case. The defendant promises to pay the Special Assessment of \$100 by submitting a satisfactory form of payment to the Clerk of the Court prior to appearing for the sentencing proceeding in this case. The defendant agrees to provide the Clerk's receipt as evidence of his fulfillment of this obligation at the time of sentencing.

h. The defendant certifies that he has made no transfer of assets or property for the purpose of (1) evading financial obligations created by this agreement; (2) evading obligations that may be imposed by the Court; nor (3) hindering efforts of the USAO to enforce such financial obligations. Moreover, the defendant promises that he will make no such transfers in the future.

i. In the event the United States learns of any misrepresentation in the financial disclosure statement, or of any asset in which the defendant had an interest at the time of this plea agreement that is not disclosed in the financial disclosure statement, and in the event such misrepresentation or nondisclosure changes the estimated net worth of the defendant by ten thousand dollars (\$10,000) or more, the United States may at its option: (1) choose to be relieved of its obligations under this plea agreement; or (2) let the plea agreement stand, collect the full forfeiture, restitution, and fines imposed by any criminal or civil judgment, and also collect 100% (one hundred percent) of the value of any previously undisclosed assets. The defendant agrees not to contest any collection of such assets. In the event the United States opts to be relieved of its obligations under this plea agreement, the defendant's previously entered pleas of guilty shall remain in effect and cannot be

withdrawn.

17. **Waiver of FOIA Request.** The defendant waives all of his rights, whether asserted directly or by a representative, to request or receive, or to authorize any third party to request or receive, from any department or agency of the United States any records pertaining to the investigation or prosecution of this case including, without limitation, any records that may be sought under the Freedom of Information Act, 5 U.S.C. § 552, or the Privacy Act of 1974, 5 U.S.C. § 552a.

18. **Waiver of Claim for Attorney's Fees.** The defendant waives all of his claims under the Hyde Amendment, 18 U.S.C. § 3006A, for attorney's fees and other litigation expenses arising out of the investigation or prosecution of this matter.

19. **Defendant's Breach of Plea Agreement.** If the defendant commits any crimes, violates any conditions of release, or violates any term of this plea agreement between the signing of this plea agreement and the date of sentencing, or fails to appear for sentencing, or if the defendant provides information to the Probation Office or the Court that is intentionally misleading, incomplete, or untruthful, or otherwise breaches this plea agreement, the United States will be released from its obligations under this agreement. The defendant, however, will remain bound by the terms of the agreement, and will not be allowed to withdraw his plea of guilty.

The defendant also understands and agrees that in the event he violates this plea agreement, all statements made by him to law enforcement agents subsequent to the execution of this plea agreement, any testimony given by him before a grand jury or any tribunal or any leads from such statements or testimony shall be admissible against him in any and all criminal proceedings. The defendant waives any rights that he might assert under the United States Constitution, any statute, Rule 11(f) of the Federal Rules of Criminal Procedure, Rule 410 of the Federal Rules of Evidence,

or any other federal rule that pertains to the admissibility of any statements made by him subsequent to this plea agreement.

20. **Defendant's Representations.** The defendant acknowledges that he has entered into this plea agreement freely and voluntarily after receiving the effective assistance, advice, and approval of counsel. The defendant acknowledges that he is satisfied with the assistance of counsel, and that counsel has fully advised him of his rights and obligations in connection with this plea agreement. The defendant further acknowledges that no threats or promises, other than the promises contained in this plea agreement, have been made by the United States, the Court, his attorneys, or any other party to induce him to enter his plea of guilty.

21. **Immigration Consequences.** The defendant understands that pleading guilty may have consequences with respect to his immigration status if he is not a citizen of the United States. Under federal law, a broad range of crimes are removable offenses, including the offense to which defendant is pleading guilty. Indeed, because defendant is pleading guilty to possession with the intent to distribute an amount of methamphetamine, removal is presumptively mandatory. Removal and other immigration consequences are the subject of a separate proceeding, however, and defendant understands that no one, including his attorney or the district court, can predict to a certainty the effect of his conviction on his immigration status. Defendant nevertheless affirms he wants to plead guilty regardless of any immigration consequences that his guilty plea may entail, even if the consequence is his automatic removal from the United States. Further, the defendant understands that he is bound by his guilty plea regardless of any immigration consequences of the plea and regardless of any advice the defendant has received from his counsel or others regarding those consequences. Accordingly, the defendant waives any and all challenges to his guilty plea and to his sentence based on those consequences and agrees not to seek to withdraw his guilty

plea, or to file a direct appeal or collateral attack of any kind challenging his guilty plea, conviction or sentence, based on the immigration consequences of his guilty plea, conviction and sentence.

22. **No Undisclosed Terms.** The United States and defendant acknowledge and agree that the above-stated terms and conditions, together with any written supplemental agreement that might be presented to the Court in camera, constitute the entire plea agreement between the parties, and that any other terms and conditions not expressly set forth in this agreement or any written supplemental agreement do not constitute any part of the parties' agreement and will not be enforceable against either party.

23. **Government Will Move to Remand Defendant Into Custody At The Plea.** The defendant understands that the crime to which he is pleading, that is, possession with the intent to distribute an amount of a mixture or substance containing a detectable amount of methamphetamine is an offense for which a maximum term of imprisonment of ten years or more is prescribed in the Controlled Substances Act. Accordingly, the Government believes that pursuant to 18 U.S.C. § 3143(a)(2), the Court must detain the defendant after he pleads guilty to the offense and will so move at the conclusion of the hearing.

24. **Standard of Interpretation.** The parties agree that, unless the constitutional implications inherent in plea agreements require otherwise, this plea agreement should be interpreted according to general contract principles and the words employed are to be given their normal and ordinary meanings. The parties further agree that, in interpreting this agreement, any drafting errors or ambiguities are not to be automatically construed against either party, whether that party was involved in drafting or modifying this agreement.
